SANTA LUCIA CELEBRATION

Norwegian friends helped the Norwood Crossing community celebrate Santa Lucia Day in December. Board member Mette Bowen taught us how Norwegians celebrate Advent and Santa Lucia Day while children and grandchildren of staff members, board members and friends demonstrated the beauty of this holiday's traditions.

We all enjoyed Christmas carols, played by pianist Phyllis Priest on our brand new grand piano, holiday snow globe decorations created by Norwood Crossing residents, and traditional holiday refreshments following the program.

FALL ART AND FASHION SHOW

Norwood Crossing residents demonstrated their creativity at the fifth annual Fall Art and Fashion Show, titled “A Winter Fantasy,” last November. Original art by Norwood Crossing residents and community friends hung on the walls of the lobbies and hallways and residents showed off their runway style to a roomful of fans in the Ohrstrom Norwegian Heritage Room. Participants and guests enjoyed a reception following the Fashion Show amidst the art, hosted by Norwood Crossing’s Life Enrichment Department.

MONTHLY GIVING PROGRAM - WIN-WIN!

If you’re looking for an easy way to support Norwood, please consider participating in our monthly giving program. Several of our friends donate to the Norwood Life Care Foundation through regular contributions from their workplace; we can arrange for a similar giving arrangement directly to the Foundation. Monthly giving can reduce the amount of your regular gift, be arranged to occur automatically, and benefit any credit card loyalty program in which you participate. Your monthly gifts will provide Norwood with consistent revenue to support programs and services for our seniors. Interested in monthly giving? Please contact Jennifer Sigmond at 773-577-5308 to discuss details.

CELEBRATING DONORS

The Norwood Life Care Foundation celebrated its donors at our annual Donor Appreciation “Harvest Thanks Party” last fall. Donors were able to see and hear about the success of recent initiatives – we showed off our new wheelchair-accessible van for transporting Norwood Seniors Network clients and Norwood Crossing residents and Norwood Crossing’s new Nursing Building Dining Room expansion. We also discussed our plans to purchase two new grand pianos for Norwood Crossing. Norwood Life Society was begun 120 years ago by our philanthropic founders; we are blessed to be able to carry out their mission with your help!

2015 VETERANS DAY PROGRAM

Every year in November Norwood Life Society honors its veterans. Many of our residents, clients and friends served in various branches of the United States military going back to World War II. Lucille, pictured here, served as a Marine during WWII and attended an Honor Flight trip to Washington, DC last summer.
